Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Discussed possible language to make claim 1 allowable. It was pointed out to the Examiner that the gauze pads and the sachet or packet remain attached to the portion of the bandage to be applied to a patient. The Examiner suggested that the structure as shown in Fig. 1 would be allowable with respect to the gauze pads, the sealing strip, the peeling strip and the packet or sachet. When discussing the embodiment of Fig. 5, the Examiner stated that that specific structure was not deemed patentable.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)
